## City Council In Regular Session

The Pahokee City Council in regular session Monday night voted to have a rock shoal near the city pier in Lake Okeechobee removed, this work to be separate from the breakwater harbor project now under way. The shoal, approximately 100 feet long and five feet wide, is an impediment to the free navigation of boats in the pier area, especially when the lake level is low as it is at the present time.

It was reported that a 666-foot extension of a six-inch water main at the Pahokee State Farmers' Market has been completed, the extension including a fire hydrant for the protection of the market.

The Council authorized the purchase of two extra strings of lights for the Christmas street lighting program to be sponsored by the Chamber of Commerce in cooperation with the city and the Florida Power and Light Company.

A license was granted to Jack Naham to sell beer and operate a pool room in the Inlow building on Lake Avenue, now owned by K. N. Mindlin.

The Council heard a request by Mrs. J. E. Roberts of West Palm Beach for the rezoning of a 200-foot lot adjoining the Mims' Weld Shop on Barfield Highway from residential to commercial classification in order that a warehouse may be built on the lot by a soft drink company. The group decided to make a survey of the area and inquire of residents their opinion on the request before taking any action.

## To Complete US98 In A Few Months

Completion of U. S. Highway 98 between Martin and Palm Beach County is expected within the next four or five months, the county commission learned Monday.

The job, scheduled for completion several months ago, has been idle for some time while contractors worked out drainage problems along the road grade. County Engineer Steve Middleton told the commission that the State Road Department reported that work on the road—which will be an important link to the new Florida turnpike—will be resumed late this month when a fleet of some 50 trucks are slated to move onto the job to start hauling additional fill. Completion of the job is set for next spring.

In another action on county roads, the commission Monday instructed Commissioner Kenneth Foster and Engineer Middleton to meet with Riviera Beach town officials to confer on plans for a new road link that community with Military Trail. Foster said the county desires to build such a road when funds become available and that plans for locating the road will be discussed by both town and county officials.

### GUESTS AT SUPPER

The Royal Ambassador group of boys at the Pahokee First Baptist Church were guests of the Baptist Brotherhood at a supper at the church Thursday evening, Nov. 17, this event being part of Royal Ambassador focus week observance at the church, Nov. 13-19.

## Will Hear About Recent Cuba Tour

George Royal and Spotswood Burr of Belle Glade will be guest speakers at the evening worship service of the Pahokee First Methodist Church Sunday at 7:45 p. m. when they will give talks on "Pearl of the Antilles" relating to their recent tour of Cuba.

Special music will be furnished by the youth choir under the direction of Pat Elliott. Following the evening service the young people of the church will be guests at a social and wiener roast at the home of Philip Dulany, president of the Methodist Youth Fellowship.

At the morning worship service the Rev. A. D. Houghlin, pastor, will speak on "The Attitude of Gratitude."

## Baby Blue Devils End 1955 Season

The Pahokee Junior High football team wound up its 1955 season in a satisfactory manner by defeating the Okeechobee Juniors, 13-7, on *Lair-Field* Tuesday afternoon.

After a scoreless first half the *Baby Blue Devils* came to life in the third quarter when their quarterback George McElheny intercepted an Okeechobee pass on the Okeechobee 29 and was downed immediately. Fullback Larry Elliott advanced the ball to the 24 and from there End Tripp Alderman on an end-around play swept around left end to score but the pass play for the extra point failed.

Pahokee scored again in the fourth quarter after a 35-yard drive advanced them to the Okeechobee 30 where Halfback Alvy Early tossed a pass to Alderman who connected at the 2-yard line and trotted on across into the end zone. McElheny went around right end for the extra point.

The Junior Brahmas also got their lone touchdown in the last period when they drove from their own 42 to the Pahokee 30 where Halfback Fred Smith, a galloping Seminole, sailed around right end for the TD, then slipped through right tackle for the point.

The Junior Blue Devils end their season with a .500 record of three games won and three lost. Their fortunes, whether good or bad, seemed to hinge on the number 13

## Deroth Rushing Beta Club Head

Deroth Rushing was elected new president of the Beta Club at the annual election of club officers held recently at Pahokee High School. Other officers chosen were Hunter Latham, vice president; Donna Lee Upthegrove, secretary; Betty Echols, treasurer; and Vangie Tillman, reporter.

The club voted to sell Christmas greeting cards as a fund-raising project and hold regular meetings on the first and third Thursdays.

Introduced as new members were Neely Johnson, Hunter Latham, Evelyn Prince, Sandra Adams, Lory Ann Rockwell, Pat Crady, Linda Sellers and Fred Blakely. The Beta Club, a national honor (continued on page 8)

## Blue Devils To Meet Crusaders

The Pahokee High Blue Devils, following an open date and a week of rest, will get back into the business of playing football this Friday night when they meet St. Ann's Crusaders of West Palm Beach in a non-conference contest which will be the last home game of the season.

Coach Webb Pell's Blue Devils with a 5-2-1 record to date will be favored to win over the visitors who have been plagued with injuries and lack of manpower this year and have not had a very successful season. The Crusaders, however, knowing the Blue Devils will be preoccupied with thoughts of their traditional Thanksgiving Eve battle with the Belle Glade Golden Rams next Wednesday night will probably try to repeat Okeechobee's performance of Oct. 21 and topple the highly favored Pahokee eleven with an upset.

The Blue Devils have cause for concern about the outcome of their game with Belle Glade there Wednesday night, for the Rams, a potentially strong team that has had a bad time in getting started this season, revealed their strength and fire last Friday night by upsetting Pompano, 13-6. To the winner of this game goes the coveted Bill Young Memorial Trophy, now in Pahokee's possession. The mythical Glades championship will go to the Blue Devils if they win but if Belle Glade wins the result will be a three-way tie by the Pahokee, Belle Glade and Clewiston teams.

Seniors playing their last games for Pahokee will be five: first stringers Halfback Pat Turbeyville, Quarterback Buddy Parker, Tackle Ronnie Berry, Center Homer Latham and End Chat Clark; and two substitutes, Halfback Rex Anderson and Alfred Kahn.

## County Would Economize Voting

An attempt to work out legislation which would eliminate a special school election for trustees and tax millage was suggested by the county commission this week in the interest of economy and convenience to voters.

The special school election is provided for in a constitutional amendment and will require legislation with a referendum vote before it can be changed.

In a recent special election, some 25,000 freeholders were eligible to take part but the balloting drew only about 6,000 votes. Costs of the election was set at about \$1,000.

The commission voted to name a committee from its group to confer with school board officials and the county legislative delegation on a change of the special election law and to adopt provisions which would let the vote on the school questions be cast at the regular May primary election.

The commission Monday, recessed its regular meeting until Friday to allow Chairman Ben Sundy and Vice Chairman Paul Rardin, to be present for final adoption of the county's road program resolution. Sundy and Rardin were both absent from the meeting Monday—Sundy representing the board at a (continued on page 8)

## Bulbs And Polish Sales For Scouts

Boy Scouts of Canal Point Troop 24 and Pahokee Troop 28 will start a fund-raising campaign Saturday Nov. 19, through the sale of electric light bulbs and shoe polish, both high quality products.

The Scouts will make a house-to-house sales coverage of the Pahokee-Canal Point area and all net proceeds will go into the local troop funds to pay for the insurance and maintenance of troop buses and other troop expenses. Anyone who is not contacted by the Scouts and wishes to assist in this campaign can obtain bulbs or shoe polish through Scoutmaster Louis Mims Scout Committee Chairman Manning I. Keen. The public is urged to support this community Scout project.

## Movie Patrons To Choose Favorites

For the first time in the History of American motion pictures, theatre patrons, which number the millions, will have an opportunity to make their own selection of the best pictures and the best performances on a nation-wide basis in the audience award poll being conducted Nov. 17 to 27 by the Prince Theatre and more than 10,000 other participating theatres throughout the country.

Patrons attending the Prince Theatre during that eleven-day period will have an opportunity to make his selection in each of five categories: best picture of the year, the best performance by an actor, the best performance by an actress, the most promising new personality (male) and the most promising new personality (female).

At the close of the contest, the final votes will be counted and sent to Price, Waterhouse and Co., public accountants. The national totals will be kept secret by the accountants until the night of the award ceremony, which will be held in Hollywood, Calif., early in December.

In the past there have been many awards or nominations of "best pictures" and "best performances," the annual Oscar awards of the Academy of Motion Picture Arts and Sciences in which members of the Academy, all Hollywood professionals, select the best picture (continued on page 3)

## Bamboo Planting Tried By County

Experimental work in growing bamboo in Palm Beach County is scheduled to get underway early next year.

Asst. County Agent H. L. Speer, in a report to the County Commission this week, said six varieties of bamboo will be made available for planting here in January or February.

Speer recently visited the Barbour Lathrop Experimental Station at Savannah, Ga., to inspect bamboo cultivation at that place.

Speer also reported this week that some 500 acres of rice has been grown in the glades during the past season and the yield on part of the crop went 50 bushels to the acre.

## Two New Firms Now Operating

Homer J. Clause, veteran produce salesman with 28 years of experience in the Florida vegetable deals, has returned, after two years of absence, to the Glades scene of operations as general manager of the newly organized Florida Vegetable Sales, Inc., which will handle a full line of leaf crops, celery, sweet corn and potatoes, and the Clause Company which will precool the vegetables handled by the sales organization.

Both firms are located in the S. M. Jones building and precooling plant on Lake Front Drive in Canal Point and started operations on Tuesday, with the processing of sweet corn grown by W. H. Jones, Jr.

Mr. Clause originally came to the Glades area from Sanford in 1938 and was associated with the American Fruit Growers until 1940 when he moved to Pahokee and assisted in the organization of Everglades Growers Cooperative. He served as sales manager of EGC until 1953 when he moved with Mrs. Clause to the Ocala National Forest where they have a home at Lake Kerr. He has been busy engaged for the past few months with plans for his new vegetable sales and precooling setup in this area.

Assisting Mr. Clause in the management of the two companies will be his son-in-law, John Strickland, formerly of Georgia, and Richard F. Hurt, who has been manager of the Pahokee plant of City Products Corp., for the past several years.

## Mrs. Paul Sasser Is New PTA Head

Mrs. Paul Sasser was elected new president of the Pahokee Parent-Teacher Association and assumed her duties of office at the November meeting in the high school auditorium Monday night. A president's pin was presented to Mrs. Sasser by Mrs. I. Marshall Lair, vice president, who opened the meeting and presided at the business until Mrs. Sasser was elected.

Mrs. Joe Thompson, membership chairman, reported a total of 875 paid-up members to date, only a few less than last year's all-time high mark in membership. Three school rooms, Mrs. Katherine Cunningham's first grade, Mrs. Myrtle Johnson and Mrs. Reba Golden's second grades, have a perfect record of 100 per cent membership of parents in the PTA, she said.

Principal Clyde A. Canipe reported proceeds from the recent PTA Halloween carnival totaled \$1,819.16 of which \$917.90 went into the PTA treasury. A rising vote of thanks was given to Mrs. Lester Hand, general chairman, and the committees which worked under her for their work in making the carnival a success.

The group voted \$400, a hundred dollars more than recommended by the executive board, to be combined with \$300 earmarked by PTA last year, the total sum of \$700 to go toward the purchase of 17 electric ventilating fans for the school classrooms and a spirit duplicator for the elementary school office, this purchase to be the major PTA school project for the year. ### Cinematic Chatter

By Malcolm Millar

Hello everybody! Mala Powers is one star who agrees with the public that there's a dearth of new faces on the screen. But she doesn't think it's because of a lack of talent, but because too few people are given the opportunity to show what they can do. What's more, Mala plans to do something about it. "First I'm going to enroll in a course of stage direction at the Pasadena Community Playhouse," Mala explained. Then she and her husband, Monte Vanton, prominent young Los Angeles real estate, would kick off their enterprise at a Los Angeles theatre, she said. "Our plan is to establish a 'new faces' stock company," outlined Mala. "We hope to lure one good Hollywood 'name' player for each engagement and surround that player with fresh new talent taken from the abundant Hollywood supply. Then we'll make sure that directors and talent scouts see them under such favorable circumstances." Our company will be known as Malaton Productions and I plan to direct and appear in the first, which will either be "Cradle Song" or "Candlelight." We don't expect to make money but if we break even and from our efforts a few youngsters get the breaks they deserve, we shall consider our operation a real success." The daughter of Del Powers, former San Francisco drama coach, Mala has been mixing acting with her school curriculum since she made her professional bow at the age of seven. One of the most popular young actresses in Hollywood we're sure Mala and Monte will fare successfully. See you at the movies—Mal.

The Florida Division of the American Automobile Association is leading a fight for a constructive driver education program in Florida.

S-Sgt. and Mrs. Andre J. (Tony) Lively (Carol Snyder), former Pahokee residents now living in Piedmont, S. C., announce the birth of a daughter, Andrea Lisa, at the Donaldson AFB hospital, Nov. 2. Mr. and Mrs. Albert Snyder of Pahokee are the maternal grandparents. Mrs. Snyder is now there visiting her daughter and family.

T-Sgt. and Mrs. Robert C. Baker (Patsy Creel) former residents of this area now living at Cherry Point, N. C., announce the birth of a daughter at the USMC base hospital there, Oct. 26. Mr. and Mrs. William A. Baker of Canal Point are the paternal grandparents and Dr. and Mrs. Charles E. Creel, former Pahokee residents now living at Anderson, Ala., are the maternal grandparents.

Warrant Officer and Mrs. Ernest Pittman (Mildred Reynolds) announce the birth of a daughter at the USMC Base Hospital at Camp Lejeune, N. C., Nov. 6. Mr. and Mrs. W. A. Reynolds of Pahokee are the maternal grandparents.

### Payment Made For New Scout Home

Pahokee Boy Scout Troop 28 is paying to the City of Pahokee \$100 as its share of the cost of the new Scout Home in the city park which was built by the city with the understanding the Scouts were to assume \$100 of the expense.

The Scouts raised \$53.60 from the sale of sweet corn to tourists and local residents from a booth set up in front of the school grounds. The corn was donated to the troop by Fred T. Hickerson and J. E. (Jake) Williams. F. M. Shaughnessy of Glades Equipment Company and the Bank of Pahokee each donated \$25 to the troop to help pay for the new Scout Home.

### Churches To Have Special Services

A Community Thanksgiving Service, with all churches of Pahokee participating, will be held at the Pahokee First Baptist Church Thursday, Nov. 24, at 9 a. m.

The Rev. A. D. Houghlin, pastor of the First Methodist Church, will deliver the message of Thanksgiving. The Rev. James E. Boyd, pastor of the First Baptist Church, will be in charge of program arrangements, with pastors of other churches to participate in the service.

### SIX NEW PLEDGES

The pledge ritual of the Beta Sigma Phi Sorority, was given to six new pledges, Mrs. David Unwin, Mrs. Gene Waits, Mrs. J. L. Tyson, Jr., Mrs. John Hutton, Mrs. Janet Johnson and Miss Ona Humphries preceding the dinner dance

honoring the pledges held recently at the Elks Hall. Mrs. Richard Nason, pledge chairman, was in charge.

### Christmas Seal Sale Underway

A proclamation, calling attention to the annual Christmas Seal sale, to aid in the fight against tuberculosis, was adopted Monday by the County Commission.

Commissioner Lake Lytal said he felt the annual seal sale an important project to the county commission in view of the boards work in treatment and care of TB patients. The proclamation urged residents of the county to support the annual sale.

Bids have been called for a 200-foot carillon tower to be built at the Stephen Foster Memorial at White Springs.

### Seen Monk's "Better Half"?

Monk McCarthy's latest creation has the town talking again. You can see it parked in front of Monk's auto repair shop on Maple.

Remember last year Monk cut two cars in half, and put their front ends together? You couldn't tell if the thing was coming or going. Sure attracted attention.

Now Monk's taken Tog Morgan's old sedan and completely restored one half of it. One side is as good as new, the other looks like—well, Tog's old car. "Sort of a before-and-after demonstrat-

tion," Monk told me, "shows folks the kind of work I do."

From where I sit, some of Monk's ideas may look a little wild sometimes...but I wouldn't want to tell him how to run his business any more than I'd like him to tell me what beverage to enjoy. He always keeps a hot pot of tea in his garage—I'd rather have a cold glass of beer—but respect for each other's opinion is "auto"-matic with us both.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,850.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 6 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

### Lions To Sponsor Turkey Shoot On Dike

The Canal Point Lions Club will be sponsoring a Turkey Shoot again this year for the Thanksgiving holidays. Shoots will be held November 21 and 22 on the Canal Point Dike. One dollar will be charged for each shot.

## Engineers Predict Water Shortage

Army Engineers in Jacksonville forecast that Lake Okeechobee levels will fall from the present stage of 13.2 feet to about elevation 12 feet, assuming normal rainfall over the next seven months until the usual rainy season begins.

L. A. Farrer, Chief of the Lake Regulation Section in Jacksonville, states that continued below-normal seasonal rainfall until next May could pull the level down below the record low of 10.6 feet in 1932. The period of records began in 1912.

Farrer points out that the more than 500,000 acres of land which depend on Lake Okeechobee for dry season agricultural water could not be properly served if the big lake should fall below elevation 12.

A continued drought condition would mean increasing demands for agricultural water and progressively critical conditions, Farrer stated. Below normal rainfall for the next seven months would also restrict navigation on the Okeechobee-Cross Florida Waterway, increase the salt infiltration threat to coastal water supplies, and accelerate muck-fire incidence in the Glades.

During the last six weeks, Lake Okeechobee levels dropped half a foot. With normal rainfall and runoff, the lake would have risen over half a foot during this period. Flow for last month from Kissimmee River, principal tributary of the lake, was the lowest of any October of record. There is now less water in southern Florida than at any time since the severe drought period of 1944.

## Name Theatre And Win Nassau Trip

TAMPA—Plans for a statewide contest to name the amphitheatre of the Florida Outdoor Drama Association in Hillsborough County Agricultural Park, halfway between Bradenton and Tampa at Ruskin, have been announced by the civic organization. The winner will receive a trip to Nassau for two people via Mackey Airlines.

It is suggested by the contest committee that the name be symbolic of Florida and its location.

The contest will start at midnight Nov. 18 and entries postmarked earlier than that date will not be considered, it was pointed out. In case of a tie, the earliest entry will be the winner. Suggested names should be sent to the Contest Committee, 603 Jackson St., Tampa. There will be no official entry blank. The contest ends Nov. 30 at noon.

The association, which is a civic organization, aims to perpetuate the history and traditions of pioneer Florida throughout the presentations of outdoor drama.

## State Chamber To Hear Hungarian

PENSACOLA—Dr. Nicholas Nyaradi, postwar minister of finance in Hungary who fled to America under heavy Russian pressure, addressed the Florida State Chamber of Commerce Nov. 15 at Pensacola.

His talk was under sponsorship of the Crusade for Freedom, as will two other talks he will make in the state—one at West Palm Beach on March 19 and the other at Tampa on March 22.

Dr. Nyaradi, a militant anti-Communist who spent seven months in Moscow whittling down Russian reparations demands against Hungary, spoke on "Conditions Behind the Iron Curtain."

## Trooper Hicks Is Promoted To Cpl.

John E. Hicks of the Florida Highway Patrol, who has been stationed at the Pahokee office of the FHP for the past 18 months, was promoted, upon recommendation by the State Board of Public Safety, from the rank of trooper to corporal at a recent cabinet meeting, the promotion retroactive as of Nov. 1.

Cpl. Hicks is being transferred from the Pahokee office to Marathon where he will move with his wife and two children, Billy and Jonelle, and assume his duties of office on Dec. 1.

He is being replaced at the Pahokee office by Patrolman Scott Peterson who recently graduated from the FHP School at Florida State University, Tallahassee, and is now in training on patrols in the Glades area.

## REPRESENTED AT CONVENTION

The Pahokee First Baptist Church was represented at the Florida Baptist Convention in Lakeland by the Rev. James E. Boyd, pastor; James Merrill, Sunday School superintendent; Gene Butler, Baptist Brotherhood president; Bill Kincaid, BB secretary, and Percy Rockwell.

Benjamin Franklin, whose birthday is January 17, was expert in handling money and his advice is as sound today as 200 years ago. All quotations here are from his booklet, "The Way To Wealth," published 1760.

## Ben Franklin gives you some expert advice about Payroll Savings

"What though you have found no Treasure, nor has any rich Relation left you a legacy, Diligence is the Mother of Good Luck."

Have you ever wished you had \$1,000, \$5,000 or more—to buy a car, get a home, help you toward retirement? Today, it is actually easy to save such large sums! Because, today, you can have your saving done for you—with automatic diligence—through the Payroll Savings Plan.

"If you would have a faithful Servant, and one that you like, serve yourself."

Serving yourself means *keeping* some of the money you make each week and investing it, for yourself. Here's how: you just name a sum to your company's pay office—a few dollars or as much as you want. Each payday, that sum will be saved from your pay, before you get your check and invested for you in one of the world's finest investments, U. S. Series E Savings Bonds!

"Little Strokes fell great Oaks."

Because Savings Bonds earn good interest, they're soon worth more than the money you've invested in them. And how your savings mount up! Sign for as little as \$5.00 a week and in 9 years, 8 months, you'll have \$2,850 cash. In 19 years, 8 months, you'll have \$6,872!

"One To-day is worth two To-morrows, and farther, Have you somewhat to do To-morrow, do it To-day."

For your own sake, don't put off joining the 8 million Americans who are making their dreams come true through Payroll Savings. Sign up for Payroll Savings today. Or, if you're self-employed, invest in Savings Bonds regularly where you bank. If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.

"Remember what Poor Richard says:  
Many a Little makes a Mickle."

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000

### Mrs. Shirley New Circle President

Mrs. Claude L. Shirley was elected new chairman of the Fay Taylor Circle, Pahokee First Baptist Woman's Missionary Society, at a meeting at the home of Mrs. T. W. Knight Tuesday, with Mrs. S. W. Roberts, co-hostess. Other officers chosen were Mrs. Willy Tillis, co-chairman; Mrs. Edwin H. Todd, program chairman; Mrs. Roy O'Neal, secretary; Mrs. H. L. Speer, children's home chairman; Mrs. S. W. Roberts, community missions; Mrs. David Unwin, love fund; Mrs. T. W. Knight, literature; Mrs. Joel Brown, mission study; Mrs. Roy Stamps, social; Mrs. Horace Unwin, stewardship, and Mrs. W. W. McCurdy, sunshine.

The group made plans to present a week of prayer observance program at the church Wednesday night, Nov. 30. It was announced the annual WMS Christmas program and party will be at the church Dec. 31. Mrs. Milton Douglas was welcomed as a new member.

Mrs. Todd presented a program on "Medical Mission in Mexico." She was assisted by Mrs. H. Unwin, Mrs. Speer and Mrs. Tillis.

### Entertain With Fellowship Party

Members of the Victory Class of the Pahokee First Methodist Church School entertained in the social hall of the church Tuesday night with a fellowship party honoring new members and Mrs. Jesse W. Reel, a member who will leave the last of the month with her family for Franklin, Va., where they will make their home.

Featured on the program of entertainment was a mock T-V program presented by Mrs. John A. Dulany and Mrs. Robert J. Schroeder. Approximately 35 members and guests were present.

### Lions Zone One Plan Banquet

A meeting of Lions Zone One, Region 2, including representatives from the Lions Clubs of Okeechobee, Canal Point and Pahokee, was held at the Community Hall in Canal Point Monday night with Osceola Upthegrove, zone chairman, presiding.

The group voted to make arrangements for an inter-club social banquet for Zone 1, Region 2 to be held at Canal Point Jan. 16 at 8 p. m., this banquet to be for all Lions in the region and their wives, with more than 150 expected to attend.

It was also voted to set up a hospitality booth at the main intersection in Okeechobee for welcoming visiting Lions enroute to the Lions International Convention in Miami Beach next June, the three clubs to share equally the financing of this project.

It was announced the final zone meeting of the club year will be held in Okeechobee in March.

Mr. and Mrs. Gene Riley have moved from Pahokee, where they have been making their home in one of the Schroder apartments, to Louisville, Ky., their former home.

### Christian Science Group Of Canal Point

What purposeful living and intelligent consecration to God can mean for mankind will be explained at Christian Science services this Sunday.

Scriptural selections in the Lesson-Sermon "Soul and Body" will include the following from 1 Peter (1:22, 23): "Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, see that ye love one another with a pure heart, fervently: Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (428:15-19): "We should consecrate existence, not 'to the unknown God' whom we ignorantly worship; but to the eternal builder, the everlasting Father to the Life which mortal sense cannot impair nor mortal belief destroy."

### Garden Club Has Decoration Course

Mrs. Paul Ochiltree of Miami conducted a course in "Flower Arrangements and Christmas Decorations" at a meeting of the Pahokee-Canal Point Garden Club in the Community Hall at Canal Point Tuesday from 10 a. m. to 2:30 p. m. with a 30-minute break for a sandwich luncheon during which Mrs. Stanton Chastain, hospitality chairman, and her committee served coffee to members and guests.

The course, rated as one of the most interesting and instructive ever given to local club members, featured the use of native Florida materials, both dried and alive, in color combinations accentuating red and green or white, blue and silver, the traditional Christmas colors. Among the arrangements made were various decorative pieces for the mantel, the buffet and the table as well as swags for the door.

At a short business session, with Mrs. Lloyd Hundley, president, presiding, Mrs. F. M. Shaughnessy, civic chairman, reported \$200 has been spent on the beautification program for the Everglades Memorial Hospital grounds, the club furnishing \$150 and the remaining \$50 donation coming from another source. County Commissioner Paul Rardin was commended for the cooperation he gave the club in this public project.

Mrs. Norman A. Kennedy, newly appointed conservation chairman, reported on the garden club conservation meeting she attended in Fort Lauderdale Nov. 1.

Membership lists for the club's yearbook were given out at the meeting. It was announced the club's executive board will not meet in December, but the two circles will meet on Dec. 13, meeting places to be chosen. The next general meeting of the club will be on Arbor Day in January, with the tree planting ceremony to take place on the hospital grounds.

Among the 50 persons taking the course given by Mrs. Ochiltree were guests from Belle Glade, including Mrs. Arthur C. Stone, Mrs. Robert Abel, Mrs. George Wedgworth, Mrs. Richard Hodges, Mrs. F. E. Hollingsworth, Mrs. D. G. DeHaven, Mrs. Lonnie Warren, Mrs. Bryan McLendon, Mrs. F. A. LaFila, Mrs. S. B. Cowart, Mrs. Thomas Bregger and Mrs. Joe Friedlund.

a castle in the air costs nothing  
—but you can't live in it!

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving *automatically*—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

## C. P. Lions Hear Mrs. Margery Crick

Mrs. Margery Crick of West Palm Beach, co-ordinator of the Royal Palm Schools for Exceptional Children, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night.

Introduced by Principal Carl Crawford of the Canal Point School, the speaker briefly reviewed the history and growth of the Royal Palm Schools in Palm Beach County and described the manner in which the schools attempt to teach the child to overcome his or her handicap, regain self confidence, and develop into a useful, independent citizen.

The club voted to hold its annual Thanksgiving turkey shoot on the Lake Okeechobee levee at Canal Point Nov. 21 and 22 from 3 to 6 p. m. President Alton W. Jones will be in charge of this project.

## Mrs. Paul Sasser—

(Continued from page 1)

Mrs. James H. Wilson announced the Pahokee PTA would be host at a PTA leadership study course for the Glades area at the "Pahokee First Methodist Church Tuesday.

The attendance awards for the month went to Mrs. Katherine Cunningham's first grade room at the elementary school and to the 12th grade at the high school, Thomas Kubeck and Marvin Thompson, sponsors.

The program, relating to the education of handicapped children as part of the overall educational program of the Palm Beach County Board of Public Instruction, was presented by Mrs. Margery Crick of West Palm Beach, County supervisor of the Royal Palm Schools for Exceptional Children; Mrs. Evelyn Lair, teacher of remedial reading at Pahokee Schools; Mrs. Ann Donahue, art instructor at Pahokee Schools, and Miss Jane Plumer, County health nurse.

Mrs. Crick reviewed the growth of the Royal Palm Schools since they first established in Palm Beach County in 1942 when she taught the first class of seven handicapped children and told how these schools, now located in both the Glades and coastal areas of the County, are educating children to overcome physical or mental handicaps to the extent that they are able to prepare themselves to become independent and happy citizens capable in most cases to carry their share of Life's burdens.

Mrs. Lair explained her work of teaching pupils in the fourth, fifth and sixth grades at Pahokee Schools to correct bad reading habits and attain normal reading levels. Mrs. Donahue told how creative art helps the exceptional child as a form of self expression and an aid in the development of individuality. Miss Plumer explained the County Health Department's immunization program for County Schools and thanked PTA members for their assistance in transporting children to and from the East Coast clinics. The speakers were introduced by James W. Vann who acted as program chairman in the absence of Mrs. E. J. Graham who is ill.

Mrs. Paul Watson, Mrs. T. W. Knight and Mrs. C. C. Willis were on the hostess committee in charge of serving refreshments in the school patio following the meeting.

## Scouts Tour Sugar Mill At Clewiston

Members of Pahokee Boy Scout Troop 28, accompanied by Scout masters Louis Mims, Ed Carvar and Dean Gary, made a field trip Sunday in the troop bus to Clewiston where they went on a guided tour through the big sugar cane processing mill of the U. S. Sugar Corporation.

Troop 27 scouts have completed their project of making cabinets for keeping record books and storing camping gear, new benches and tables for the new Scout Home in the city park next to the swimming pool. All of the new furniture has been moved into the new Scout Home which is now the official meeting place of Pahokee Scouts.
